

**S&N  
AIROFLO**

***THE Source for Floating WWT Equipment  
Brush Rotors - Mixers - Nitrification Rotors***

## **ODOR CONTROL - Sun or NO Sun**

**Used alone, or to enhance mechanical aeration**

- \* IMPROVE LAGOON PERFORMANCE**
  - > with low HP, high volume mixing and reasonable capital costs.**
  
- \* DIRECTED FLOWS -**
  - > better performance in shallow lagoon than vertical mixers.**
  - > eliminate stagnant corners that cause odor.**
  
- \* LEVEE ANCHORING SYSTEM -**
  - > easy installation. Factory installation available, but not required.**
